NON-UM Programs
Policies and Instructions

In order to have credits taken at a non-UM program count towards your UM degree, complete this packet and obtain the appropriate signatures as indicated on each form.

Non-UM programs do not meet the UM requirement of completing the last 45 credits in residence at UM. Only UM programs are considered “in residence”. Students may appeal this policy through their school/college.

NOTE: If requesting this status late in the semester before departing or during the semester in which you are studying away, it is the student’s responsibility to notify all departments of the new status.
